**Attachments:** Chemours CEO Letter to President Donald J. Trump - SNAP Appeal (Sep. 9, 2017).pdf

Ryan,

Busy times, but I hope this note finds you well.

Attached please find a letter that Mark Vergnano, Chemours' CEO, directed to President Trump earlier today related to our company's strong interest in seeing EPA pursue an en banc appeal to the DC Circuit Court of Appeals related to the SNAP issue.

We trust by now you understand our position on this matter, and how critical preserving the SNAP program is to our company, both today and into the future.

As for Administrator Pruitt, please know that Mr. Vergnano would appreciate the opportunity to speak briefly with him this afternoon/ASAP to reemphasize the importance of this issue to Chemours. The call would not take more than 15 minutes.

Please let me know if we can arrange such a call and, if so, I will be on point to get Mr. Vergnano on the line with Administrator Pruitt.

I realize the call request comes on short notice, but I trust you will understand that I cannot overemphasize the interest Chemours has on this matter.

Many thanks, Ryan.

Greg
